April 2013

FROM THE EAST:

It is always good to have Rite Worshipful Brother, John VanSlyke DDGM come to our Lodge. John did not know that he was to be a participant in some new and lasting history of Table Rock Lodge #680. However, this matter really originates and starts with our very own thoughtful Brother Lance White. At one of our practices Brother White brought the Lodge a wonderful gift. Brother White had found a very beautiful set of 1900 chairs crafted as one set of three chairs to go in the East. Brother White had them reupholstered and re-stained. They are very dramatic looking in the East. I am sure you will never see anything like them anywhere else. Rite Worshipful Brothers John VanSlyke, Chuck Pittman and I were the first to use them in what, I am sure, will be a long history of using those chairs. I am sure every Brother in our Lodge will be proud to show them off to our visitors. Many thanks go out to Brother White.

We have lots of dates to keep track of for April and May. Get out your calendars so you can mark these dates down so you will not miss them.
