

TRESTLE BOARD

Table Rock Masonic Lodge #680, A.F. & A.M. Kimberling City, MO, U.S.A.

Volume 15 Issue 2 October 2010

FROM THE EAST:

As forecast, September has been a very busy month. We have raised 2 brothers to the Sublime degree of Master Mason. Congrats to Bros. Jerry Dodd and Roland Williams! Also we initiated 2 Entered Apprentices. Congrats to Bros. Brent Hobbs and Todd Murphy.

The Bug Run for the *Coats for Kids Charity* was held on the 12th with about 40 motorcycle riders participating. Over \$500.00 was raised and two dozen coats were also donated. That amounts to a lot of needy children who will have warm coats this winter. Thanks to Bro. Greg Yoder who was the chairman and to WB Ryan Martin, the assistant.

On the 16th, Bros. Ross Anderson, Carl Jeschke, Harold Metzger, Glen Rosenberg, Tony Root and Ed Verrill went to Shell Knob and participated in raising a brother for Central Crossing Lodge.

The By-Laws Review committee met on the 13th and their recommendations are enclosed. Please review the changes carefully as we will be voting on them on October 12. The Executive/Budget committee met and prepared a preliminary budget.

RWB Pittman gave a program on Masonic Customs and Courtesies at our stated meeting on the 14th.

Several of our Lodge members and the Stone County Shrine Club have generously donated to a project to build a wheelchair ramp for Bro. Bob Sheets who will come home from the nursing home soon. The work was accomplished by several hard-working Masons, Elks and Radio Club members. Thanks to

all who contributed time, labor and cash to aid a worthy brother.

The Eastern Star held a garage sale at the lodge on the 24th & 25th.

Bros. Tom Martin, Ryan Martin and Ross Anderson, Harold Metzger, John Johnson, Tony Root and Glen Rosenberg and their wives will attend Grand Lodge

Communication on the 27th and 28th.

Please remember our Pancake Brunch on Saturday, October 16. We start serving at 9:00 but we need several brothers there early to start preparing the food. We need your help to make it a success.

It seems early but it is time to start thinking about the Christmas party and MOCHIP program which will be happening in early December.

The addition to our dining room is now complete, and we have received occupancy permits from the city and the fire department. We still need to do some work on the drainage culvert.

FROM THE SOUTH:

Our next planned meal is from a recipe I found carved into one of the huge building blocks I found while I was climbing the Great Pyramid of Giza. It was one of King Tut's favorite recipes.
