### **FROM THE EAST:**

Brethren,

We are certainly living up to being the “knife and fork” fraternity. A great meal was enjoyed by the widows, OES and members at our Family Appreciation and Charter Dinner on Saturday, October 19. W. Bro. Scott Meyer fired up his locomotive grill and smoked up some delicious pork. Brother Greg Yoder assisted along with members bringing their side dishes to round out this feast. Thanks to all who participated.

On Monday, October 21, Kimberling Chapter provided another delicious meal when they honored the Mason's. Not only did we have a good meal and great fellowship, but they presented us with a check in the amount of \$1,500 to be used for the parking lot. Thanks to all the Eastern Star members for your generous donation.

Listed below are some tentative plans for the year which are subject to change:

OCTOBER –Charter recognition, DDGM visit

NOVEMBER – Thanksgiving, Fish Fry Fund Raiser

DECEMBER - Community Outreach, Christmas Family and OES Night, Degree work,

ONLY ONE MEETING

JANUARY – District School, degree work

FEBRUARY – Valentine's Party, Washington's birthday, Family Night with OES and widows

MARCH –

APRIL – Past Masters Night

MAY – Election of Officers and 50 year presentation

JUNE – Ice Cream Social

JULY – Move Up Night

AUGUST – Installation of Officers

The second Sunday of each month we will continue to hold our Pancake Breakfast. Your help and support are needed at any or all of the above activities.

Fraternally,  
Kenny Adkins,  
Worshipful Master

## **EDUCATION OF THE BRETHREN:**

Masonry is not a glorified fraternity but a philosophy of life into which these members have entered-a philosophy of life, which can build for the world a more secure and durable society through the betterment of the individual man.

"Masonic teaching is basically a re-affirmation of the absolute necessity of morality in all the relationships which exist and develop in the processes we call civilization. True morality grows out of recognition that men must commit themselves to some fundamental principles of action and behavior, if the fabric of civilization is to have any durability and meaning. Without commitment to some standards of rectitude and justice, there can be no faith in the value of cooperative efforts to build a society which will fit a definition of civilization. The spiritual tragedy of modern man lies in his fear that society has discarded such faith.: So said M. W. Brother Conrad Han of the Masonic Service Association.
